D.O. No. 17011/02/2015-Edu

15th July, 2016

Dear Chief Secretary,

As you are aware, Aadhaar is being successfully used for Direct Benefit Transfer (DBT) in various Government schemes such as Pahal, MNREGA, PDS etc. It has now been decided that Aadhaar will be used as identifier for all centrally funded scholarship schemes so as to facilitate direct and timely transfer of scholarships and thereby avoid hardships to genuine and deserving students.

1.2 Applications for scholarship need to be submitted through a new National Scholarship Portal 2.0 (NSP 2.0) (<http://scholarships.gov.in>) where Aadhaar number of beneficiary would be mentioned while applying on the portal. For the two centrally sponsored scholarship schemes administered by this Ministry, viz Pre-Matric Scholarship Scheme and Post-Matric Scholarship Scheme for ST students, last date of applying on-line on the portal is 31st August, 2016. In view of this, it is necessary to facilitate students who are entitled for any scholarship for Aadhaar enrolment.

2.1 For Direct Benefit Transfer (DBT), bank accounts of scholarship holder will also have to be seeded with Aadhaar number. Tribal / Social Welfare Department in your State / UT is therefore requested to undertake (in a campaign mode) enrolment of students for Aadhaar so as to complete the process by end of July, 2016.

2.2 If there are large number of students in a school requiring Aadhaar number, then special camps may be organized in school to obtain biometric data. If the number to be covered is small, then scholarship holders may be taken by a teacher of the school to nearest Permanent Enrolment Centre of UIDAI for recording of biometrics. Once Aadhaar number is received, school may arrange to get consent forms of all scholarship holders for Aadhaar seeding of bank accounts, and send the same to concerned bank branches. Similar action is also required in respect of ST students studying in institutions (higher education) covered under Post-Matric Scholarship Scheme.

3.1 You are requested to issue instructions to all District Collectors to immediately organise meetings with officials of concerned Departments and start enrolment drive in a campaign mode with immediate effect.

3.2 Aadhaar enrolment of scholarship holders of two scholarship schemes indicated above must be completed by 31.7.2016 positively. Similarly seeding of their bank accounts shall be completed by 20.8.2016. In case student is already having Aadhaar number, then its seeding with respective bank account number must be done by 31st July, 2016.

4. Above mentioned exercise is required to be completed in a time bound manner as given hereunder:

- (i) Seeding of existing Aadhaar numbers into bank accounts of students by 31st July, 2016.
- (ii) Collection of biometrics for Aadhaar enrolment of students not having Aadhaar by 31st July, 2016.
- (iii) Seeding of Aadhaar numbers into bank accounts by 20th August, 2016.

5.1 You are requested to ensure that all applications for two Centrally Sponsored Scholarship Schemes of this Ministry (both new applications and for renewal of scholarships from previous years) are submitted into "Scholarship Portal" well before 31.8.2016.

5.2 If Aadhaar no. is either not linked to application form or not seeded to bank account, it may not be possible to ensure release of scholarship funds.

With Regards

Yours sincerely,

Sd/-
